Proceeding of RMSI Executive Committee Meeting

Meeting of RMSI Executive Committee was held under the Chairmanship of Dr Amaresh Chandra, President, RMSI on Dec. 22, 2021 at 12.30 PM in the Committee Room of ICAR-IGFRI Jhansi. The meeting was attended by EC members Drs VK Yadav, RV Kumar, AK Dixit, HC Pandey, SK Singh and JB Singh (Chief Editor). At the outset Secretary RMSI formally welcomed to President of Society and appraised him about invitation for association of RMSI in International conferences which is going to be organized by National Environmental Science Academy, New Delhi. After thorough discussion following points were emerged.

- i. In principle EC agreed upon to associate in International Conference "Agriculture Science and Technology: Challenges and Prospects in future (AST-2022)" without any financial commitment.
- ii. It was also decided that organizers will give proper credit to RMSI and put logo of society in Conference brochure and banners. It was also felt by EC that a theme on feed, fodder and livestock should be kept in technical programme.
- iii. It was suggested by EC that to highlight RMSI and its Journal, a slot for presentation must be given during inauguration programme.
- iv. During Conference a space/stall must be provided to RMSI by Organizer to display activities and all about RMSI through standee.
- v. RMSI EC will encourage their life members to participate in said conference.

Submitted to President, RMSI for kind perusal and approval, please.
