

## Annual Report of ATIC-IGFRI, 2012-13

The ATIC has started at IGFRI in newly constructed building since Jan. 2013. The rationale for establishment of ATIC, in general, are, to provide diagnostic services for soil and water testing, plant and livestock health; to supply research products such as seeds and other planting materials, livestock related, from the institution for testing and adaptation by various clientele; providing information through published literature and communication materials as well as audio-visual aids; and to generate some resource through the sale of their technologies /products.

### Activities of ATIC, IGFRI

- Sale and distribution of literature
- Sale of institute's products such as seed, root-slips or any other planting material.
- Sale of value added fodder products
- To conduct visits of farmers or any other clients
- Exhibition of technologies in ATIC compound.
- Diagnostic services with help of concerned CAL
- Advisory services
- Postal and telephonic enquiry using Tel. No. 0510-2730241 and by email.

### Visits conducted (no. of visits and no. of personal)

- Govt. officials: 07(64)
- NGO: 05 (05)
- Farmers : 05 (113)

### Revenue generated

Seed sale: Rs. 730=00

Root slip sale: Rs. 375=00

### Literature distribution
